## CAUTION

- TO REDUCE THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER. THERE ARE NO SERVICEABLE PARTS INSIDE.
- TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS UNIT TO RAIN OR MOISTURE.

The lightning flash with arrow-head symbol within an equilateral triangle is intended to alert the user to the presence of uninsulated “dangerous voltage” within the unit’s enclosure that may be of sufficient magnitude to constitute a risk of electric shock.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the unit.

## IMPORTANT SAFETY INSTRUCTIONS

All the safety and operating instructions should be read, adhered to and followed before the unit is operated.

## SAVE THESE INSTRUCTIONS

## **DANGER**

To reduce the risk of electric shock, burns, fire or injury:

1. Do not use while bathing or in a shower.
2. Do not place or store unit where it can fall or be pulled into a tub or sink.
3. Do not place in or drop into water or other liquid.
4. Do not reach for unit that has fallen into water. Unplug it immediately.
5. Care should be taken so that objects do not fall and liquids are not spilled onto the unit.

## **WARNING**

1. Close supervision is necessary when this unit is used by or near children.
2. Use this unit only for its intended use as described in this manual.
3. Unplug this unit during lightning storms or when unused for long periods of time.
4. Never drop or insert an object into any opening.
5. Protect the power cord from being walked on or pinched, particularly at plug outlets, convenience receptacles and the point where it exits the unit.
6. Do not allow cord to touch hot surfaces. Wrap cord loosely around the unit when storing.
7. The unit should be situated away from direct sunlight or heat sources such as radiators, electric heaters, heat registers, stoves, or other units (including amplifiers) that produce heat. Avoid placing on top of stereo equipment that radiates heat.

8. Never block the air openings of the unit with materials such as clothing, plastic bags or papers, or place it on a soft surface such as a bed or couch, where the air openings may be blocked.
9. Do not overload electrical outlet. Use only the power source as indicated.
10. Do not carry this unit by cord or use cord as handle.
11. Never operate this unit if it has a damaged cord or plug, if it is not working properly, or if it has been dropped or damaged, or dropped into water. If the unit's power supply cord or plug is damaged, do not attempt to fix it yourself.
12. To avoid the risk of electric shock, do not disassemble or attempt to repair the unit. Incorrect repair can cause risk of electric shock or injury to persons when unit is used.
13. Do not operate in the presence of explosive and/or flammable fumes.
14. Unplug unit before filling. Do not exceed the recommended level of water.
15. Do not fill the tank with anything other than water.
16. Do not use attachments which are not included or recommended.

## LOCATION OF PARTS

1. CONTROL PANEL
2. BASKET
3. WATCH STAND
4. CD/DVD SEPARATOR RING
5. CD/DVD RACK
6. COVER HANDLE
7. MAIN HOUSING
8. COVER WITH VIEWING WINDOW
9. STAINLESS STEEL TANK

## LOCATION OF CONTROLS

1. START/STOP BUTTON
2. DISPLAY
3. TIMER BUTTON
4. POWER LEVEL BUTTON

## OPERATION

1. Open the lid and fill the STAINLESS STEEL TANK up to the MAX level with cool tap water.
2. Insert the power cord into an electrical outlet. The DISPLAY illuminates.
3. Place items in the BASKET and place the BASKET in the STAINLESS STEEL TANK—ensuring that the water does not exceed the recommended MAX water level after the items are submerged.

**Note:** Lay your watch over the WATCH STAND (see Fig. 1). Or place 2 CDs or DVDs on the CD/DVD RACK and separate with the CD/DVD SEPARATOR RING (see Fig. 2).

4. Close the lid.
5. Press TIMER BUTTON incrementally until the desired time appears on the DISPLAY: 090, 180, 280, 380 or 480 seconds.

**Fig. 1**

**Fig. 2**

**Note:** The amount of time you select should depend on the quantity and cleanliness of the pieces. It is advised to clean a CD or DVD with graphics only once in cool water for 90 seconds as there is a chance the graphics will fade.

6. Press the LEVEL BUTTON to select desired intensity. The intensity depends on the type of cleaning needed and the type of item being cleaned.

Example of intensities for different types of items:

3 HIGH — Glasses and waterproof watches (up to 30 meters)

2 MEDIUM — Jewelry

1 LOW — CDs and DVDs

7. Press START/STOP BUTTON to start the cleaning process. A blue light will illuminate and the time left for cleaning will count down on the DISPLAY.

**Note:** Press START/STOP BUTTON to interrupt or resume the cleaning cycle.

8. When the chosen cycle is complete, the unit will automatically turn off and the blue light on the DISPLAY will turn off. If additional cleaning is necessary, repeat the steps above to repeat the cycle.
9. When you are done cleaning your items, unplug the unit and open lid to remove the items, pour water out of the tank and wipe dry with a soft, clean cloth.

## **CARE AND MAINTENANCE**

Wipe dry with a soft clean cloth and then store in a cool, dry place.

## **SPECIFICATIONS**

Power:	35W
Power Supply:	AC100V-120V 50-60Hz
Timer Setting:	5 cycles; 90, 180, 280, 380, 480 seconds
Tank Size:	750ml Stainless Steel Tank
Weight:	1.75kg
Ultrasonic Frequency:	42.000Hz

# ONE (1) YEAR LIMITED WARRANTY

Brookstone® warrants this product against defects in materials and/or workmanship under normal use for a period of ONE (1) YEAR from the date of purchase by the original purchaser ("Warranty Period"). If a defect arises and a valid claim is received within the Warranty Period, at its option, Brookstone will either 1) repair the defect at no charge, using new or refurbished replacement parts, or 2) replace the product with a new product that is at least functionally equivalent to the original product, or 3) provide a store credit in the amount of the purchase price of the original product. A replacement product or part, including a user-installable part installed in accordance with instructions provided by Brookstone, assumes the remaining warranty of the original product. When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes Brookstone's property. When a store credit is given, the original product must be returned to Brookstone and becomes Brookstone's property.

**Obtaining Service:** To obtain warranty service, call Brookstone Limited Warranty Service at 1-800-292-9819. Please be prepared to describe the product that needs service and the nature of the problem. A purchase receipt is required. All repairs and replacements must be authorized in advance. Service options, parts availability and response times will vary. You are responsible for delivery and the cost of delivery of the product or any parts to the authorized service center for replacement, per our instructions.

**Limits and Exclusions:** Coverage under this Limited Warranty is limited to the United States of America, including the District of Columbia and the U.S. Territories of Guam, Puerto Rico, and the U.S. Virgin Islands. This Limited Warranty applies only to products manufactured for Brookstone that can be identified by the "Brookstone" trademark, trade name, or logo affixed to them or their packaging. The Limited Warranty does not apply to any non-Brookstone products. Manufacturers or suppliers other than Brookstone may provide their own warranties to the purchaser, but Brookstone, in so far as permitted by law, provides these products "as is." This warranty does not apply to: a) damage caused by failure to follow instructions

relating to product's use or the installation of components; b) damage caused by accident, abuse, misuse, fire, floods, earthquake or other external causes; c) damage caused by service performed by anyone who is not a representative of Brookstone; d) accessories used in conjunction with a covered product; e) a product or part that has been modified to alter functionality or capability; f) items intended to be periodically replaced by the purchaser during the normal life of the product including, without limitation, batteries or light bulbs; g) any product sold "as is" including, without limitation, floor demonstration models and refurbished items; or h) a product that is used commercially or for a commercial purpose.

**BROOKSTONE SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT, OR ARISING OUT OF ANY BREACH OF THIS WARRANTY. TO THE EXTENT PERMITTED BY APPLICABLE LAW, BROOKSTONE DISCLAIMS ANY AND ALL STATUTORY OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND WARRANTIES AGAINST HIDDEN OR LATENT DEFECTS. IF BROOKSTONE CANNOT LAWFULLY DISCLAIM STATUTORY OR IMPLIED WARRANTIES, THEN TO THE EXTENT PERMITTED BY LAW, ALL SUCH WARRANTIES SHALL BE LIMITED IN DURATION TO THE DURATION OF THIS EXPRESS WARRANTY.**

Some states disallow the exclusion or limitation of incidental or consequential damages or how long an implied warranty lasts, so the above exclusions or limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.
