**Objective KET** is a lively course offering students complete preparation for the Cambridge KET and KET for Schools examinations. It is informed by the Cambridge Learner Corpus to provide evidence on the areas of language that A2 level students worldwide preparing for KET need help with.

Its unique approach combines solid language development with systematic and thorough exam preparation and practice. Its short units give a sense of progress and cover a wide variety of motivating topics. The *KET for Schools Practice Test Booklet* and *Pack* provide two complete KET for Schools practice tests.

The *Workbook* consolidates and extends the new language and skills and provides opportunities for further practice.

### Key features of Objective KET:

- **20 short units integrate skills and exam training**
- **10 'Exam Folders' cover each exam task in depth and provide practical advice**
- **5 'Writing Folders' develop writing skills and give practice in exam tasks**
- **5 revision units reinforce what has been learned**
- **2 complete practice tests help prepare students for the KET for Schools exam**
- **Fun activities help to make learning enjoyable.**

#### CAMBRIDGE LEARNER CORPUS

The Cambridge Learner Corpus (CLC) is a unique collection of over 130,000 exam papers from Cambridge ESOL. It shows real mistakes students make and highlights the parts of English which cause problems for learners. The CLC has been developed by Cambridge University Press with University of Cambridge ESOL Examinations to help in writing materials for learners of English.
